Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant and examiner discussed the current pending Office action status of the instant application. The examiner asserted to applicant that the amendment filed after non-Final, on 18 September 2009, places claims 2-9, 12-17 and 19 in a state of allowable subject matter in light of an examiner's amendment to independent claim 2. Applicant agreed to cancel claims 10, 18 and 20 and elect the allowable subject matter in claims 2-9, 12-17 and 19. Therefore, the examiner and applicant agreed that the examiner will make an amendment canceling claims 10, 18 and 20 and change a minor issue in independent claims 2 in an "Examiner's Amendment"..
